

# PROVINCIAL BUILDING FOR DRAYTON VALLEY DISCUSSED

At a meeting with the Minister of Public Works in Edmonton December 10th the possibility of the construction of a Provincial Building in Drayton Valley was discussed and appeared to be generally acceptable to the minister.

Mr. and Mrs. Armstrong are shown here accepting a gift from the Calgary office of Cities Service Canada Ltd., presented by Mr. R. A. Grady, Vice-President.

## Retirement Party Honors Armstrongs

Canada Cities Service personnel gathered Thursday, December 11th in the Legion Hall to honor Mr. E.S. (Red) Armstrong, District Superintendent, who is retiring at the end of December after 36 years service to the company.

Mr. R. A. Grady, Vice President and Mr. and Mrs. Ken Ewaniuk, Office Manager and Accounting Supervisor travelled from Calgary to make presentations on behalf of their office. Mr. Kees Krabbe made a presentation to Red and Dorothy on behalf of personnel from Drayton Valley, Breton and Mayerthorpe. Red has led a very interesting life in the oil business. He started his career with a subsidiary of Cities Service "Indian Territorial Luminating Oils" in 1934 in Oklahoma City as a roustabout. In 1939 he went to Ellenwood, Kansas as a Gang Pusher, then to Chase, Kansas as Head Roustabout.

He enlisted in the U.S. Navy in May 1942 and was Chief Gunners Mate in the 73rd Naval Construction Battalion and was in the South Pacific all through the war. He can tell many interesting stories about his war-time experience.

When he was discharged from the Navy, he went to Holsington, Kansas from November 1945 to July 1946; then to Sublette, Kansas as Production Foreman where he spent the next nine years. He was in charge of drilling over 500 gas wells in the area during that time.

In the next year he travelled extensively; in charge of drilling at such places as Lindsay, Oklahoma; Gulfport, Mississippi (87 miles offshore - the farthest attempted at that time); Hattiesburg, Mississippi; Rock Spring, Wyoming; Riverton, Wyoming; Roundup, Montana; and Green River, Wyoming. He came to Edmonton in March 1956 for 5 months, then back to Lafayette for more offshore drilling. Although this sounds like a pretty busy year, he still had time to get married.

In November 1956, he came back to Edmonton and a few months later was promoted to District Superintendent in charge of drilling and production in all

of Alberta. The Edmonton office was closed in July 1963 and moved to Drayton Valley where Mr. Armstrong continued in charge of Alberta and Northwest Territories.

The Armstrongs plan on leaving (perhaps in January) to travel throughout the American Continent for some time, then finding a small town (not too much larger than Drayton Valley) to settle down in.

They will be missed by all their friends in Drayton Valley and Mr. Armstrong will certainly be missed by his staff at Cities Service.

## Council Rejects Unseating Bid

At last Thursday's meeting of Town Council a request from Mr. Adrian Meier that Deputy Mayor Tom Johnson be disqualified as a councillor because he voted on matters pertaining to the Fitzgerald Building, was turned down by the Council.

Mr. Meier stated that as rental agent for the Fitzgerald Building in Drayton Valley, Mr. Johnson had a pecuniary interest and disqualified himself by voting on matters pertaining to a permit for renovations to the post office under conditions of the Town and Village Act.

Mr. Johnson stated that he had no pecuniary interest either directly or indirectly in the issuance or non-issuance of the permit. He also noted that it was the opinion of his legal counsel that he had not disqualified himself.

Communication from the town's legal advisor suggested "that there is really only one answer on behalf of the Council itself and that is to take no proceedings to declare the seat vacant but to let Mr. Meier proceed under Section 32 of the Act."

Mr. Johnson had also been in communication with the Department of Municipal Affairs and a letter addressed to him from the Chief Municipal Inspector Mr. B. Ramsay, was also considered by Council.

Mr. Ramsay's letter notes: "At the time that it was alleged that you disqualified yourself from being eligible to retain your seat on the council, the question before the council was whether or not a building permit be issued to Pembina Projects Limited for the renovation and remodeling of the premises."

"If the permit was issued it would appear that you would not have been engaged as contractor for the renovations and that you

would not receive a commission for the collection of rates from the rental of the renovated area, and if this is the case it would appear that you did not have a direct or indirect pecuniary interest in the question before Council."

"If the permit was not issued there would not have been any pecuniary interest to anyone."

"In view of the above I would lean to the view that you did not disqualify yourself from being a member of council by voting on the question as to whether or not the building permit be issued."

In view of the advice received Council unanimously refused to declare Councillor Johnson's seat vacant.

## Minister to Visit Drayton

Minister of Education Hon. Robert Clark will visit Drayton Valley on Monday, December 22nd to discuss educational problems with the Town Council.

Mr. Clark will be a luncheon guest of the Council prior to the afternoon meeting.

## Chamber Executive Meeting Thursday

A meeting of the executive of the Drayton Valley and District Chamber of Commerce will be held at 7:00 a.m. on Thursday, December 18th in the Cardium Room.

## County, Town Officials Discuss Several Matters

Members of the Parkland County Council attended last Thursday's meeting of the Drayton Valley Town Council for discussion on a number of items of common concern.

A major topic of interest was the extension of 50th street from the end of paving south to Highway 57. Largest part of the road is within the town borders with the extreme southern end under County jurisdiction.

It was agreed that the road would be improved as a joint-undertaking. Named as a committee to investigate and make recommendations were County Councillors Rudolph Zander, Ivan Vowk and the county Public Works Superintendent. Town representatives are Councillors Norman Swendseld, Bob Huber and Town Engineer Bill Tuttle.

The committee planned to investigate condition of the road before snowfall and take drill tests as a first step before further consideration.

## Town, County Meeting

Cont. from Page 1

The matter of assistance in operation of the Centennial Arena was discussed but tabled until figures of operation and the annual grant by the former L.I.D. 77 are available to the County Council.

Members of the County School Committee also took part in discussions with members of the local ski-mobile club who were present to discuss operation of motorized toboggans in town. An attempt will be made to find areas close to town where the machines can be operated (they are now forbidden use of school grounds) and the Town Council will arrange routes where the machines can be driven in reaching the designated areas.

Referring to library grants the County Council stated that all community libraries are being treated equally with a \$50.00 grant. The only exceptions are community-school libraries.

On the subject of libraries, the county representative indicated they are looking into the possibility of a regional library and suggested that the town arrange to have a representative present when the matter is discussed early in the New Year with representatives of the Cultural Activities Branch of the Provincial Government.

The county representatives pointed out that they were not

familiar with details of the regional library set-up having just begun looking into the matter themselves. They noted, however, that a major benefit appeared to be an improved grant structure that allowed somewhere in the neighborhood of 75¢ per capita, rather than the community library grant of 35¢.

**CHRISTMAS TRADITION:** So much of our Christmas activities are tradition. Have you often wondered why they started and what the actual meaning for them was? People of different racial origins have different traditions and as the years go by they have been modified or adopted to other countries and changing times.

**WHY HANG STOCKINGS?** In Scandinavian countries there is a quaint Christmas custom of placing everybody's wooden shoes in a row outside the door or on the hearth on Christmas Eve. It signifies everyone's resolve that during the coming year they will all do their best to live together in peace and harmony. People in other lands substituted stockings for shoes. Presents in the shoe or stocking are a reminder of the legend that kindly St. Nicholas flung a purse down the chimney, or in the window to save the virtue of two young girls whose father was planning to sell them for money. St. Nicholas was always the children's champion.

**CHRISTMAS CARDS--** The first Christmas cards were done by English school boys. About Christmas time, before schools let out for the holidays, the students wrote expressions of good will to their teachers in order to demonstrate their good penmanship and perhaps influence the teachers to send good reports home. These cards were called "school pieces", and the boys decorated them lavishly with scrolls and curlicues and with pictures drawn in the borders around the message. Some of these cards were found in the boys' homes, and one English gentleman, Sir Henry Cole had an artist design a card for him to send his friends. A few Christmas cards were sold about 1858, but sending Christmas cards containing a message of affection and

cheer did not become common practice until 1862.

**DECORATIONS --** The Christmas tree was originated in Germany. Queen Victoria introduced it to England in 1848. Candles symbolized the light of Christ, stars, the Star of Bethlehem, Christmas colors are red for the passion and death of Christ and green for eternal life.

**HOLLY --** Holly remains green throughout the winter and is therefore, a logical Christmas ornamentation. Its use goes far back to ancient people who took its greenness as a promise that the sun would again return another year. Over the centuries many legends have surrounded

it with Christmas implications. The early French and English hung a piece of holly over the door to indicate a house in which Christ abided. A secular tale of holly states that whichever person -- husband or wife -- first brings the holly into the house at Christmas is the one who will rule in the New Year.

Here's hoping you and yours have a very Merry Christmas and Joy and Prosperity in the New Year.

You don't hear much about the Battle of the Sexes any more. Do you think it's because of the difficulty in identifying who's who?

## EDITORIAL COMMENT

### No "Enraged" Voters Here; Just Determined Voters

The negative vote by Drayton Valley ratepayers in the regional school plebiscite doesn't mean that people here are opposed to better educational facilities for children of Evansburg and surrounding district. It should be regarded in its true light as a protest against inadequate facilities in this community.

If Mr. Clark, the Minister of Education, who will visit here next week, can be convinced of the local need and take steps to solve it, this newspaper is satisfied that the people of the area would have absolutely no objections to the regional concept. Although we haven't been too cozy with senior governments in recent years, a little more consideration of our needs might improve relations.

Annexation of L.I.D. 77 by Stony Plain Municipality against the expressed opposition of the rural community is an example of government action that did little to win friends hereabouts. Perhaps the people of Evansburg can understand why we appear balky at times.

If the Department of Education had been thinking at that time it could have approached the Department of Municipal Affairs and helped plug for a new municipal unit that could have included the Evansburg and Drayton Valley regions. Under that circumstance we might have worked out the problem of a good school in the north as well as in the south without the necessity of becoming involved in the regional -- which is opposed in other parts of Parkland as well as Drayton Valley.

Since those stormy days, the waters have smoothed considerably, and we believe that a solution to the Drayton Valley school problem would go a long way toward greatly improving relations between the western end and the rest of Parkland County and hasten unity on other points of division. However, people here are firm in their belief that the County of Parkland and the Department of Education have a prior obligation to meet here before moving off in a regional direction.

Furthermore, we can't let go unchallenged the statement in last week's edition of the Stony Plain Reporter that said, "enraged Drayton Valley voters were determined to upset plans for a regional high school at Evansburg". We doubt that a statement of this sort will help narrow the gap between east and west at a time when we were beginning to remove obstacles in the way of unity.

We should point out that during the whole day this writer didn't see even one ENRAGED voter. In fact, if our definition of enraged is also supported in Stony Plain (i.e. roused to a fury), we imagine the appearance of someone in this state at a polling station would be a matter for police attention.

And if any had a right to be enraged they were the 49 persons who waited in the polling station after closing for ballots that never arrived. Some were provoked and a little irritated but enraged, no.

We agree that Drayton Valley voters were determined. But not determined to thwart Evansburg out of spite -- determined to call forceful attention to local school problems.

Despite all the hard feelings created by the debenture poll, it is still our belief that the two ends of Parkland are moving slowly closer. County officials and Drayton Valley Town Council met last week in a session that was mutually satisfactory and appears likely to lead to greater cooperation between the two.

However, a major obstacle to the accomplishment of complete unity of the county is the school situation in Drayton Valley. Remedy this and a lot of other problems will probably be solved at the same time.

### LETTERS TO THE EDITOR

The Editor  
The Western Review,  
Drayton Valley, Alberta

Dear Sir:

I take this opportunity to commend Mr. John Keast on his recent letter regarding the Evansburg High School plebiscite of December 4th. Unfortunately for all of us, the vote was negative, which is not surprising when one considers the amount of time and energy that was expended by opponents of the proposed project.

It is a great pity that certain militants in Drayton Valley and elsewhere cannot find something more constructive with which to occupy their time than to knock on doors and drum up as many negative "spite" votes as they can muster.

While such utter selfishness and callousness persists at the municipal level, the future looks bleak indeed where our national unity is concerned.

Heaven help us!

I remain,

Yours truly

Elizabeth Tkachyk.

The fire services are to a high degree a cheerful and helpful service. They can be said to bring safety at all times and to bring good tidings at this season of the year.

It is well known that fire fighters are warm hearted and quick to render service to the community both before the alarm and after the alarm. Alberta fire departments have been prominent in community endeavours, particularly helping those in need. For example, they are strong supporters of research into the cure and abatement of suffering from muscular dystrophy. Traditionally firemen have identification with the young by operating toy repair depots and supporting various youth activities. They have built an attractive and heroic image so as to deserve the admiration of children and ready support of all adults.

The fire services of Alberta have demonstrated throughout the year their concern about safety and goodwill to us all. Our response now in return ought to be to assist them to celebrate with no fires.

A little old lady confided to the local banker that she kept her money at home, hidden in a coffee tin. "But", her banker friend objected, "you're losing interest." "Oh, no", the old lady insisted "I'm putting away a little extra just for that."

### Open Letter from Reeve To County Residents

At the re-organization meeting of the County recently, my fellow Councillors did me the honor of electing me Reeve for the coming year. Mr. Zander, our Reeve, wished to step down because of his work as Director of the Alberta Association of Municipal Districts and Counties. I do sincerely appreciate this and will do my best to serve them and you, the ratepayers, well.

I feel, therefore, that you should know some of my thoughts and plans. I am proud of our County and I think it has the potential to be the best in the Province. You have elected a group of men, every one of whom is sincere and dedicated to his work and want to serve you well. I assure you all decisions will be made by Council as a whole and I will follow these directives whether or not I had originally agreed with them.

I would like to encourage participation of you, the ratepayers, in your affairs. Let us know your thoughts and wishes and criticisms. In order to make this more possible in the west end of the County I have the sanction of Council to set one day per month to be in Drayton Valley and meet people who wish to discuss County affairs or ask questions or criticize. As a start I will be in Drayton Valley the 2nd Friday of each month commencing January 9th, to meet anyone who wishes to come in. I will be in our Police Office directly across the street from the R.C.M.P., Phone 542-4619. I would appreciate your comments on this idea and also any suggestions you may have to better improve communications between Council and you, the ratepayers.

I feel we must continue to encourage industry to expand and locate in our County. This is also your Council's feelings. Any leads as to new industry would also be most welcome. I feel we should be able to encourage enough new industry to locate here to raise the assessment enough to take up the difference in rising costs and thus maintain our mill rate.

Many people still hesitate to come to see Council or their Councillors with suggestions or questions. I assure you that any person wishing to see Council will be given a courteous hearing regardless of whether or not we agree.

In closing may I thank you for your co-operation this past year and wish all of you on behalf of the Council, the compliments of the season and our hope that 1970 may be the best year yet for you and your County.

Yours truly,

LES N. MILLER, Reeve.

## MAGNOLIA NEWS

The ladies' club held its Christmas party in the hall on Friday, December 5th. This year they invited their husbands to join them for supper. Cecil June gave the Christmas toast and Mrs. Terpstra asked the blessing. Santa arrived to distribute gifts to the ladies and favors to the gentlemen. The tables were gaily decorated with ornaments and made by Betty Strangway. The twelve couples enjoyed supper and afterwards played cards or just visited.

Quite a number of youngsters arrived at the hall on Saturday afternoon to practice their Christmas plays, songs and recitations. Betty Strangway is again our hard-working captain. Joyce Manchester and Evelyn Cameron are assisting. The concert is on December 22nd.

We see a smiling Brenda Walker these days, as Allan and Larry are home from work.

Mr. and Mrs. Charles Anderson entertained their entire family at a birthday party supper during the evening of December 5th in honor of Mr. Anderson.

Bob and Nora McCracken are enjoying a week's visit with their grandson Robby, while his mother Pat is taking a course in Holiday Magic.

Folks from here who attended the 4-H banquet at Sundance on

Saturday, December 6th were Dean and Betty Strangway and sons, Mr. and Mrs. Roy Strangway, Cecil and Marie June, Betty and Pete McDougall, The Ekroth family and the A. Johnson family.

Marvin Strangway won the reserve championship trophy. Ralph Johnson won the grand championship trophy, the showmanship trophy and a trophy for the best kept record book. These two boys are in the Pee Wee club. Congratulations boys.

## Pork, Beef Prices Remain Firm

OTTAWA -- Domestic supplies of pork are increasing with prices remaining firm reports the Canada Department of Agriculture in the January Food Outlook.

Beef prices can be expected to remain steady while broiler and roaster chicken will be in plentiful supply at relatively low prices.

Supplies of broiler turkeys will be adequate at steady prices; heavy turkey supplies will be adequate to short at firm prices.

## SUB-MITS

FROM THE ELEMENTARY SCHOOL

Has the tension been building up in your household? Multiply the tension and excitement of one child by the number of children in one classroom. Then multiply this by the number of classrooms in one hall. Double this every few days as Christmas comes nearer. This is how the noise and exuberance in the school increases before any holidays.

Last year our town welcomed the Trows as teachers. Mrs. Rosemary Trow (she says her name rhymes with cow) comes from Wales. She has three years of training in Domestic Science, which is similar to our Home Ec. program. Before coming here she spent two years in Malta, 6 months of which was in teaching there. She is in her second year of teaching here in the grade one classroom. Her husband is on staff at the high school. The Trows have no family. Mrs. Trow enjoys bowling, curling, ceramics and has been heard practicing the piano at midnight in our school. And all the people of Welsh and Irish ancestry will understand why she prefers to celebrate St. David's Day on March 1st rather than St. Patrick's Day on March 17th.

At our last staff meeting it was brought out that many children are still coming to school too early. School begins at 9 and the children need no more than 10 or 15 minutes to get organized. Several teachers come quite early to work, and if children come, teachers must spend this time supervising. Please send your children at the appropriate time.

Sincerely,  
Olga Brown.

## Southern Alberta to See Awards Program

The drama and warmth of the award presentations to Alberta's 1969 Junior Citizens will be shown to Southern Alberta television audiences in the next week.

The Junior Citizen program is sponsored by Alberta's investor-owned electric utilities and the Alberta Weekly Newspaper Association.

It is open to young people in the province between the ages of 6 and 16, who have excelled in some act of citizenship. This may fall into the category of courage, resourcefulness, heroics, or any area where the young person has displayed outstanding citizenship.

The film, "We Shall Overcome", was produced by Denny Ranson, an Edmonton photographer, for Calgary Power Ltd. It will be shown on CHCT-TV, Calgary, Lethbridge, and Medicine Hat, December 17 at 10:30 p.m.; and CFCN-TV Calgary and Lethbridge, December 21st at 12 noon.

It depicts the emotional and dramatic moments when Alberta Lieutenant-Governor Grant MacEwan presented the awards

to the youthful winners at a banquet during the annual convention of the weekly newspaper association.

The newspaper group plays an important role in the program. All entrants are submitted through editors of weekly newspapers across the province.

The story of each Junior Citizen is told in the film, to the visual emotions of the young people as they receive their awards from Alberta's First Citizen.

The cameras follow the group as they tour the Alberta Legislative Buildings in Edmonton, hosted by Deputy Premier Fred Colborne.

Calgary Power chose a local personality, David Wood, to handle the off-camera dialogue. He has become associated with the Company over the years as the voice of "Alberta Heritage" on radio.

In 1968 there were 1,357 deaths from chronic bronchitis in Canada. This is almost 300 more than in 1967.

# Regular Meeting County Council

Minutes of a regular meeting of the Council of the County of Parkland No. 31, held in the County Office at Stony Plain, Alberta on Monday, December 8th. The meeting was called to order at 10:10 o'clock a.m. following the Public Sale of Land Lands pursuant to the provisions of the Tax Recovery Act.

Members present were Reeve Leslie N. Miller, Deputy Reeve Rudolph Zander, Councillors Robert A. Bailey, Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

Request for sharing of the Centennial Arena operation costs in Drayton Valley was received from Town of Drayton Valley and tabled for meeting with Drayton Valley Town Council on December 11th.

Request for improvements to the road to the NE 10-51-27-4 was received from Mr. R. Morrin of R.R. 5, Edmonton. Councillor Bailey reported that some work has been done in connection with this request and further inspection would be made in the spring. Report accepted.

## APPOINTMENT OF DEVELOPMENT BOARD

The Council in whole was appointed to serve as the Interim Development Control Board on motion of Councillor Bakker.

Mr. Gerald Repecka of Stony Plain was reappointed as Development Control Officer on motion of Councillor Lent.

It was agreed on motion of Councillor Zander that each Councillor be appointed as a Special Committee of one for the purpose of making emergent or urgent decisions.

It was agreed that Agricultural Fieldman, William Moelhoff, be appointed as Chief Weed Inspector and further appointments be made at a later date on recommendation of the Agricultural Committee.

## MEMBERS ON THE RECLAMATION COUNCIL

It was agreed that Assessor, Kenneth R. King be appointed as a member on the Reclamation Council and a further appointment be made at a later date.

It was agreed to authorize additional wiring in the new repair shop, that was not included in the construction contract.

Mr. Jacob Troudt, shop foreman, was present at the meeting to discuss with the Council employment of shop help for the winter.

Mr. Gustav Richter of Evansburg called on the Council regarding the proposed Tax Sale on Lot 7, Block 9, Plan 4531 H.W., Tomahawk.

Mr. Eric Sudeau of R.R. 5, Edmonton was present at the meeting in connection with the gravelling of the service road in the subdivision of the NE 35-51-27-4. Referred to the Public Works Committee for inspection.

Letter dated November 20, 1969 from the Village of Spruce Grove was read to the Council requesting consent to annex the N 1/2 3-53-27-4 and the E 1/2 4-53-27-4. It was agreed to consent to the annexation of the N 1/2 3-53-27-4 but to object to the annexation of the E 1/2 4-53-27-4 as this annexation is premature.

## MEMBERS REGIONAL RECREATION BOARD

It was agreed that Councillor Mann be appointed to serve the one year unexpired term of Mr. Robert Akins and Councillor Vowk be appointed to represent the expired term of Mrs. Marion Ivan. It was agreed on motion of Councillor Zander that Councillor Vowk be reappointed for a term of 3 years. It was agreed to fill the fourth vacancy by nomination and election; Councillor Lent was nominated by Councillor Mann. Councillor

Bakker was nominated by Councillor Bailey. Upon a vote being taken by ballot with six Council members present the vote was deadlocked.

After the arrival of the seventh Council member another vote was taken with the result that Councillor Lent was elected to fill the fourth vacancy on the Regional Recreation Board.

Request for opening of Lot 9, Block 5, Plan 4531H, W. Tomahawk was received from Tomahawk and District Club. Referred to Councillor Zander for attention. It was agreed that a meeting be arranged with the Legal Department of the Provincial Treasury Branch in connection with obtaining title to this lot.

It was agreed that the Reeve be authorized to attend one day each month at Drayton Valley for the purpose of interviewing ratepayers of the area concerning County business.

## CHRISTMAS PROGRAM ENJOYED

They say the old fashioned Christmas is gone but Sunday evening evidence to the contrary was shown at the Buck Creek Hall when the very hard work of several women and the hearts and songs of little children were shown.

After a pot-luck supper which would challenge a gourmet meal, the children presented a concert that they and a few adults had spent many hours in preparing. The presentation was enjoyed by the community and proves without doubt that old fashioned Christmas ideals are still present in many communities.

The community would like to let the adults and children know that their work was not in vain.

## EVANSBURG NEWS

The Christmas season is almost here, and I wish to take this opportunity through this column to wish everyone the best of the season. May all who read this have the best of the holiday season and continue to do so in the coming New Year.

Several of the homes and business places in the area have been considerably brightened up with Christmas lights.

The Wildwood and District Agricultural Society held its annual meeting recently and elected a new executive.

The United Church Women held their regular meeting at the home of Mrs. Stella Lorenz. This was a combined business meeting and Christmas party where the members enjoyed themselves and exchanged Christmas gifts. Since the treasurer was not present, a complete report on the bazaar could not be had, but the ladies wish to thank everyone for supporting the recent tea and bazaar which was held in the church basement. The Sunday School Christmas concert will be held in the church on the evening of the 19th and the Christmas Church Service will be held on the 21st. All items which the UCW had left from the rummage sale held earlier in the fall have been sent to Bissell Memorial Church in Edmonton. The next meeting of the group will take place in the United Church basement on the first Wednesday of January.

Several district residents are hospitalized in Edmonton and Drayton Valley and get well wishes are sent to all.

The Ladies' Auxiliary wish to

remind everyone that it isn't too late to send your neighborly Christmas greeting via the travelling Christmas tree, which at the present time is in one of the village business places. All proceeds will go towards the arena building fund.

On Friday, December 5th, Mrs. Elizabeth Tkachyk, teacher of piano and theory, presented the annual student recital at her home. The children performed solos, duets and trios by a wide variety of composers ranging from the Old Masters to those of the 20th century. In addition to parents of the students, several invited guests attended. The audience proved to be most enthusiastic and appreciative. After the recital, refreshments were served.

The following students participated in the program: Grade 4, Mary Tkachyk and Yvonne Anderson; Grade 3, Sandra Rimmer and Commie Rimmer; Grade 2, Ruth Tkachyk; Grade 1, Wendy Davey; Primary, Linda Keast, Sheryl Tompkinson, Marc Dompnier and Stephen Tkachyk.

## REBELS SPLIT WEEKEND GAMES

On the weekend the Rebels travelled to Fort Saskatchewan to split a pair of games; winning the first 10-4 but losing on Sunday 4-2.

Saturday's game was a fast skating exhibition with Doug Hall being a standout. Hall had a seven point night in scoring four goals and assisting in three others. Doug's fourth goal was a picturesque play, picking the puck up at his own blue line and skating through the entire Fort team.

Lorne Foster was injured with five minutes left in the second period but returned to finish off the period. Dan Davie made his debut as a Rebel goalie in the third by only giving up two goals.

Other scorers for the Rebels were Ron Hemmingway and Frank Novosel with 2 goals each; Cliff Elliot and Dale Rippel rounded out the scoring.

Sunday's game was an entertaining game with both teams skating and hitting hard. The Rebels led 2-0 after the first period but let up in the second and let the Fort score four unanswered goals and gave them the

Rod Colbert was selected the third star in Sunday's game. Lorne Foster was unable to play Sunday due to his injury, but Dale McIntyre, an old teammate of Wayne Garding's, filled in adequately.

There are two games this weekend with Fort Saskatchewan Huskies the visitors.

## Teen Club Sponsors Santas' Anonymous

The Drayton Valley "In Crowd" teen club is sponsoring a Santa's Anonymous project here. Local residents are asked to help make Christmas happier for needy children by purchasing a present for a child under 12 and leaving it, unwrapped, at collection depots in town.

Gifts may be left at The Bay, Valley Drug and Adam's Shoe

Store. Gifts should be dropped off at the stores by December 22nd to give the teen club members time to wrap and deliver them before Christmas.

Members of the club would appreciate the help of residents in brightening the Christmas holiday for children in the town and district who might otherwise be neglected.

## Weekly Livestock Report

The Edmonton weekly livestock report for the week ending December 11, 1969 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week est.	6400	4000	2400	2200	420
Last week	8625	4350	4275	2576	1476
Same week (1968)	6373	4385	1988	1522	524

**SUMMARY:** Receipts were about average for the season although volume was down from last week due mainly to the sharp drop in stock calves. Approximately 400 cattle and 600 calves were thru-billed. Sales consisted of 70% replacement cattle and calves. Trading was strong and active, throughout the week, on all slaughter and replacement classes. Butcher steers and heifers 50 - 75¢ higher. Cows and bulls fully steady. Slaughter calves 50¢ higher. All replacement classes 50 to 1.00 higher.

**Slaughter Cattle & Calves** -- There was a fair offering of feedlot steers and heifers with about 50% of the total slaughter cattle considered eligible for the Red or Blue Brand. Choice handy-weights were bringing top prices with steers to 1200 lbs. receiving only a slight discount, however heavier weights were sharply discounted. Steers and heifers met a keen demand throughout with prices 50-75¢ higher for the week. Cows and bulls sold on a fully steady basis. All slaughter calf classes sold strong to 50¢ higher.

**Replacement Cattle & Calves** -- Feeder steer and heifer demand was strong throughout with prices 50 - 1.00 higher on all classes. There was a strong demand for feeding and breeding cows which saw most of the lighter weight medium cows go back to the country. Stock calves were in short supply and sold 50 - 1.00 higher.

**Shipments** -- Last week's out-of-province cattle and calf shipments: East 1507 for feeding and 315 for slaughter; Saskatchewan 36 for slaughter and 230 feeders; to B.C. 202 for slaughter. Export to U.S.A. 27 bulls for slaughter.

## BERRYMOOR NEWS

Mr. and Mrs. Roy Lawson, Mr. and Mrs. Dennis Schwartz and Mr. and Mrs. Eugene Schwartz motored to the Bighorn Dam and to the new town of Grande Cache one day last week.

The mild weather of the past two weeks is being enjoyed by everyone and is a pleasant change from what the weatherman handed out in December of last year.

Mr. and Mrs. Donald Martin were Ryley visitors on Sunday at the home of their daughter and son-in-law Mr. and Mrs. Gordon Tryon.

George Van Ember is a patient in an Edmonton hospital. We hope he will be feeling well soon.

Edward Fewster had the misfortune to be involved in a highway accident on Saturday. Both vehicles sustained a considerable amount of damage but luckily no one was seriously injured.

Rodney Shipton of Lindale was a visitor at the home of Fred Martin one evening last week.

The Breton High School students will hold their annual Christmas party at the school on the evening of Friday, December 19th.

## Warriors Defeat Paul Kane 45 - 29

The FMHS Warriors and Paul Kane High School, both undefeated in their western conference in the North Central High School Basketball League met head on in Drayton Valley this past Friday with the local club coming away with a 45-29 triumph to remain the only undefeated team in their conference.

Both teams were hitting and pressuring ball clubs and thus cutting the shooting percentage of each other away down. Paul Kane hit for 12 of 57 field goal attempts for a below average night of 21%. The Warriors hit on 19 of 63 shots for a slightly below average high school hitting of 30%. This percentage difference seemed to explain the difference on the scoreboard. The game was played in a gym packed with exuberant and boisterous fans who witnessed a light and fast moving game until the Warriors came out of their poor shooting performance over the evening to burn up the netting and pull away to victory midway through the final quarter.

Coming up big for the local Drayton Warriors in this game was Terry Jevne, doing an outstanding job from the left forward and centre position. Real smooth were his two clean and perfectly executed hook shots. Doug Ibbotson started exceedingly hot, hitting continually with a fine pressure jump shot but ran into fouling trouble for the second straight game and was thus forced to watch the majority of the game from the sideline. Those two hard-nosed guards of the Warriors, Ron Cameron and Stan Oulton came up real big with a strong outside shooting performance, especially in the final quarter, to take the wind out of Paul Kane's sails.

Even though the Warriors were not up to their usual crispness they were able to bring home victory and for that they were glad.

For Paul Kane, J. Rutherford (no. 4) with 9 points, Larry Martin (no. 22) with 8 points and

Melvin Kmitson (no. 12) with 7 points led the opposition attack. The Paul Kane five crew showed good backboard control and took many second and third shots away from the Warriors.

Coming on real strong and playing some fine ball for the local club has been rookie guard Tom McGee and this is an example of what is giving the Warrior club that all important depth. The same can be said for rookies Barry Swap and Earl Nixon. Dressing with the Warriors for the first time was another player with great potential for the future, Roger Hutchison. Local fans were able to see him in action for a few minutes in the final quarter. Another player figuring to come along with the Sr. Warriors is Doug Steeves and he will be dressed and will see quite a lot of action against Whitecourt tonight.

Another big factor in the Warrior victory was the offensive board control by Ken Dusterhoft who came in the fourth quarter to take 5 offensive rebounds, more than any other Warrior all night.

Warriors play tonight against Hilltop High School from Whitecourt and this Friday against Barrhead High of the northern conference of the North Central

Ron Cameron

League. The Warrior game tonight is at 7:00 p.m. instead of the usual 8:30 slot.

The Warriorette club bowed out to the Paul Kane crew 24-17 mainly because of the 11% shooting night compared to the Paul Kane's girls 25% average. The Warriorettes got away 63 shots to Paul Kane's 44 but just weren't hitting. Janine Labranche again led the Warriorettes on the scoreboard with 8 points, and Judi Walker added 4. For the Paul Kane girls, Sharon Keith hit for 9 and Marj Jamieson for 5.

Don't forget tonight's action against Whitecourt and Friday's game with Barrhead.

Brydges, Tomahawk; Steve Machuk, 15935 - 106A Avenue, Edmonton and Edward Rolfe, 9935 - 156 Street, Edmonton.

It was moved and carried that Mr. Arthur Welk's application for the Herman Steinke bus route be accepted and that the 1962 G.M.C. 36-passenger school bus be sold to him.

Mrs. Elizabeth Howery, Mr. Ivan Vowk and Mr. George Mann registered negative votes.

D. O. Clarke Bus Route -- Lloyd McLeod, Devon, Alberta; H. R. Mills, Sangudo, Alberta; Edward Rolfe, 9935 - 156 Street, Edmonton; Wayne Adolph, R.R. 5, Edmonton; and Anton Kuster, 11828-94 Street, Edmonton.

It was moved and carried that the D. O. Clarke bus route be awarded to Lloyd McLeod of Devon and that the 1963 - 54 passenger Ford School Bus be sold to him.

Harry L. Hennig Bus Route -- Harry L. Hennig, R.R. 5, Edmonton; R. E. Bourke, Onoway; Ed-

ward Rolfe, 9935 - 156 Street, Edmonton; H. R. Mills, Sangudo; Wayne Adolph, R.R. 5, Edmonton and Anton Kuster, 11828-94 Street, Edmonton.

Mr. Harry L. Hennig asked to retain his bus on the condition that he could purchase the Ed Glubish bus and get that route.

It was moved that Harry L. Hennig be allowed to keep his 1962 - 54 passenger I. H. C. school bus and the route concerned. Motion lost.

It was moved and carried that the matter of awarding the H. L. Hennig bus route and the new route at Devon be referred to the School Bus Committee and Mr. R. A. Bailey for study and a recommendation.

INCREASE IN RATE  
ED RIEDLINGER

The School Bus Committee presented the following report and recommendation on Ed Riedlinger's request for an increase in rate:-

"Mr. George Mann and Mr. Ivan Vowk met Mr. Riedlinger at Tomahawk Saturday, November 15, 1969 at 4:00 p.m. His complaint was that since his last signed agreement of 38 miles for \$12.00, 6 more miles have been added on. He owns a 1966 Panel - the cost new being \$3350.00. His route is now 45 miles per day.

RECOMMENDATION -- That Mr. Riedlinger's contract have one dollar per day added to it. His contract should read thirteen dollars for 45 miles.

It was moved and carried that the report of the School Bus Committee be accepted and that Ed Riedlinger's rate for school bus operation be increased to \$13.00 per day retro-active to September 1, 1969.

SCHOOL BUS COMPLAINT

The School Bus Committee presented the following report on a complaint from Mr. Spittler and Mr. Bustin of Tomahawk together with a recommendation to remedy the situation:-

"Mr. Vowk and myself met Mr. Spittler at 3:00 p.m., November 16th, 1969 at Mr. Spitt-

ler's residence N.E. 17-51-6-5. Mr. Bustin was not home. Mr. Spittler stated that Mr. Bustin's complaint would be of the same nature as his. Mr. Spittler complained that when his child, age 11 years, gets on the bus at 7:45 a.m. and rides for 30 miles in the morning, and 30 miles in the evening; she should be entitled to be the first one off at night; but the fact is these two children are the last ones off at night.

The other complaint is that when the bus has picked up Mr. Bustin's child, age 7 years, (NW 15-51-6-5) it goes north for 1 3/4 miles and at about the 3/4 mile, there is a bridge at the bottom of a deep depression; and the south approach is very steep down to the bridge. So Mr. Spittler and Mr. Bustin ask why? Their children are the only passengers on this bus every time it goes over the bridge in question.

RECOMMENDATION -- These two children are of junior age 11 and 7 and should not be subjected to get on a school bus at 7:45 a.m. and ride for 30 miles in the morning and 30 miles in the evening, when in fact they only live 3 3/4 miles from the school they attend.

It is the Committee's reasoning that the cheapest way money-wise would solve both complaints that is, have the two children concerned picked up by another bus that travels in the area south of the bridge - this area being the centre 1/2 mile north, 1/2 mile south on the road that runs North and South between Sec. 21 & 22-51-6-5.

The reason for a different bus, the one concerned has a transfer commitment - So to rearrange his route would in all probability

SUPPORT TO RECOMMENDATION -- That Mr. Riedlinger be asked to proceed out to pick up the Spittler and Bustin children after he transfers his passengers to Ditchuk's bus in Tomahawk at 8:30 .m.

The rate of pay to be 13 miles per day at 15¢ per mile. The cost \$1.95 per day.

It was moved and carried that the foregoing report and recommendations of the School Committee be accepted.

## Junior Warriors Lose to Breton

The FMHS Jr. Warriors out-scored the Breton five over the last three quarters of their opening Pembina League contest 39-36 but this was not enough to overcome a first quarter deficit and thus were defeated 49-45 by a very good Breton club.

Leading the Breton team were Adam Zawarthe with 17 points and Larry Lansdell with 16. The

Jr. Warriors were able to hold Lansdell to 4 points over the first three quarters but couldn't stop him in the final quarter as his 14 point performance guaranteed his team victory. Also playing well for Breton was Allan Hart with 8 points.

The strong man for the Drayton club was Jerry Mastre as he pumped home 17 points. Also

playing extremely well for the Jr. Warriors was Alan Hicks who held Lansdell down and scored 10 points of his own. Larry Wall added another 8 points to his team's efforts.

The Jr. Warriors playing their second game together showed improvement under coach Father Edward Lynch and they are going to be a handful for any team in the tough and well established Pembina League. Another good crowd was on hand for this contest.

The Jr. Warriors are playing in Seba Beach in an exhibition contest and also play their sec-

ond league game of the season this week in Thorsby.

Other players lining up with the junior club are Doug Steeves, Norm Tucker, Carl Bengston, Glen Swandlund, Roger Hutchison, Pat Coppens, Wilfred Zom and Reg Madsen.

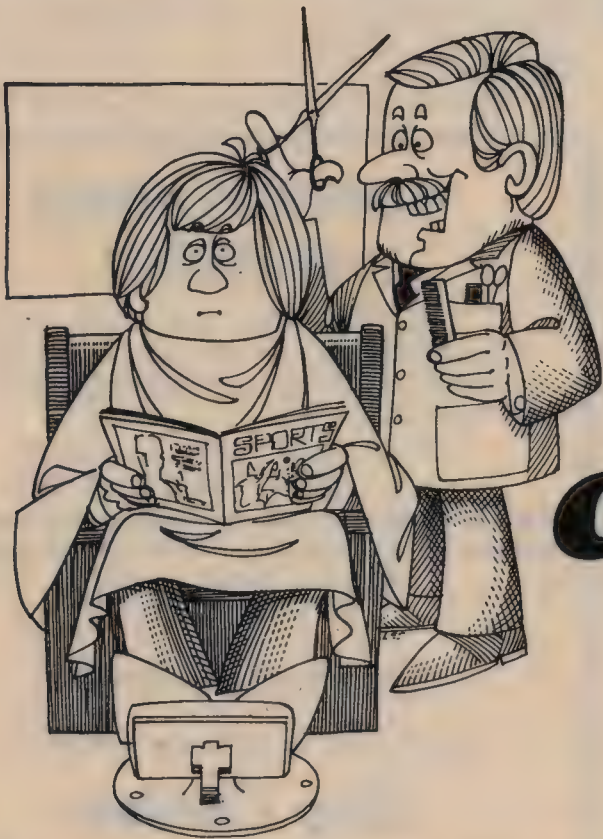

The Jr. Warriorettes lost 32-16 in their contest with an excellent Breton girls club. Leading Breton was Margaret Neilson with 14 points and Diane Musson with 8. For the Drayton club Diane Dusterhoft pushed in 7 points. Coach Nigel Oakes reports the Jr. Warriorettes spirit is exceedingly high despite

their loss and they are hungry to play and practice.

The telephone rang at the Slenderizing Salon and a matronly voice sobbed: "My husband just gave me a lovely birthday present and I can't get into it".

The managress of the salon make an appointment for her and added soothingly "Don't worry madam, we'll have you wearing that dress in no time".

"Who said anything about a dress?", the voice wailed. "It's an MG sports car!"

# Have you ever considered...

### ...how to keep yourself a well-informed homemaker?

One of the largest single sources of useful information is readily available to you through any one of 30 province-wide district offices established by the Home Economics Branch as part of the broad overall service provided by the Alberta Department of Agriculture through the Extension and Colleges Division. Staffed by Extension Home Econ-

omists and Specialists in four prime areas — home design, food and nutrition, home management and consumer affairs, clothing and textiles — the Branch's day-to-day operations make vital and significant contributions in upgrading housing and the well-being of individual families and, in general, assist in the areas of consumer competence and community development. In addition to work with individuals and groups a newsletter of general interest is distributed free to a mailing list maintained for this purpose, and each year thousands of homemakers, teachers, firms and organizations keep themselves well-informed by referring to publications covering almost 200 varied topics and techniques. A list of informative publications is available on request from your local District Home Economist or the Home Economics Branch in Edmonton.

### ...the first three steps to safety in gas control?

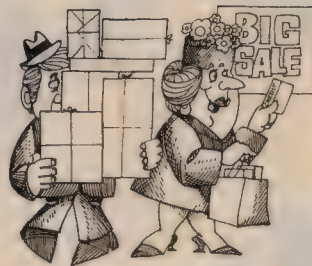

In a constant, all-out drive to provide you with a set of rigid protective safeguards, the Gas Protection Branch of the Alberta Department of Labour exercises a primary three-part, province-wide control program. This covers natural and gas propane installations and related distribution systems within the corporate boundaries of village, town and city limits. Initially, through permanent control measures, every individual gas fitter in the province must pass strict qualifications of certification to ensure he is capable of top standards of workmanship; and before any job begins, whether it is a new installation or an addition to an existing one, a work permit must be obtained and recorded with the Branch. To follow-up on these safety practices, a continuing series of year-round spot checks are made to make sure standards are maintained. In addition to these steps, the Branch staff examines, tests, rejects or approves any new gas appliance or product offered for sale in this province. To give proper direction and interpretation of the gas code and to promote gas safety, over 4,000 copies of a regularly published news bulletin are sent to the trade and contracting industry.

### ...how securities selling is regulated?

Through the Alberta Securities Commission of the Attorney General's Department, wide investigative and control powers have been established to make sure that all Alberta investors have the kind of protective regulations they need in the complex business of buying and selling securities. All investment firms,

including mutual funds and other investment contract companies, or any company intending to sell securities to the public, must first file and record a copy of their prospectus or contract with the Registrar of the Commission who ensures the document gives a full, true, and factual disclosing of the company and its operations. Buying of securities under primary distribution can only be made under terms of an official prospectus. Continuing audits of registrants' financial statements are conducted by the Commission to uncover any possible fraudulent, illegal or misleading practices. A complete program of registration and regulation of individuals engaged in marketing of securities is maintained. This includes brokers, dealers and salesmen. Supervision of the Calgary stock exchange is another function of the Commission which maintains day-to-day contact with national and international securities fields, and works in co-operation with similar commissions in other provinces and the United States.

### ...the costs and conditions of credit?

With the continued application of credit in the market for consumer goods and services you need to know what you are doing when you "buy-on-time". You can get some useful facts on the subject through the service provided by the Consumer Credit Branch of the Alberta Department of the Provincial Treasurer. In an effort to help individuals avoid unmanageable financial burdens and complaints, over 10,000 free folders titled "Using Your Credit" have already been distributed to people throughout the province.

Copies are available on request. To further this active program of informing buyers and sellers, discussions can be arranged through the office of the Supervisor. Other responsibilities of the Branch include conducting inquiries into business practices involving credit charges, rebates and other matters relating to consumer credit.

### ...how bridges are put together for you to cross?

All modern bridge building, replacement and design in rural areas of this province are co-ordinated through facilities of the Bridge Branch of the Alberta Department of Highways and Transport. In a three-part program involving over 10,000 bridges, many innovations such as precast concrete structuring have resulted in substantial savings in time and costs. Year-round inspections, regular maintenance routines, research and development projects are just part of the work involved in improving main highway bridges to insure they are safe and adequate to handle the ever increasing volumes of traffic. Replacing old narrow steel bridges on the secondary road system in the province, and removing antiquated bridges which have become hazards to high-speed traffic on local roads result in about 100 new bridge and overpass projects a year being added to our surface transportation network.

## 4-H Club Enjoy Bowling Party

DARLENE STEWART  
Club Reporter

The Drayton Valley 4-H Beef Club held its Christmas party, December 14th. The club invited the Moon Lake club to a bowling party at the Twi-light Bowl in Drayton Valley. Everyone enjoyed themselves.

Winners of the high point award was George Cherrington for boys and Debbie Hansen for the girls. Winners of the low point award was Phillip Mohr for the boys and Colleen Stewart for the girls.

After three fun-filled games everyone went to the Taste-Freezer for hamburger deluxes and cokes. The food was great and the club would like to thank both the Twi-light Bowl and the Taste-Freezer for allowing us to use both places for the day.

We hope everyone from the Moon Lake club enjoyed themselves as much as we enjoyed having them.

## Christmas Service

Catholics in the area are reminded of the Community Celebration of Penance formerly known as "Christmas Confessions" which will be held in St. Anthony's church Monday evening, December 22nd at 7:45 p.m. This type of celebration has proven very popular in the past and a large crowd is anticipated.

## Sundance Garden Club Considers Several Items

The first meeting of the Sundance 4-H Garden Club was held on Tuesday, December 9th at the home of Mr. and Mrs. Hilts. After a short executive meeting on fund raising and program planning, President Dorcas Hilts opened the meeting with the singing of O'Canada, followed by the 4-H Pledge led by Laura

Blair.

After roll call and the reading of the minutes, the club leader, Mrs. Charlet introduced her two assistant leaders, Mrs. Wiltse and Mrs. Bentley, and a new club member, Cindy Mychan. Terry Bentley then read a report on the 4-H Council meeting.

It was decided to hold meetings on the third Monday of every month at 7:30 p.m. Meeting places to be announced later. Matters discussed included fund raising, extra activities, such as the 4-H rally, Valentine queen contest, curling, bowling and public speaking.

Next meeting will be on Monday, January 19th at the home of Mrs. Yakimovich.

## Nursing Chapter Christmas Party

On Wednesday, December 10, 13 nurses met at the home of Mrs. Marilyn Maclean for the annual Chapter Christmas party.

A short meeting was held and the main discussion was on the money that has been raised and set aside for giving assistance to girls going into the nursing profession. It was decided that a committee be formed to set a guide-line as to what form the money should be given and what qualifications the person should have to receive assistance.

Following the meeting games were played and lunch was served.

The next meeting of the Dray-

ton Valley Chapter of A.A.R.N. will be held on January 14th in the Nurses Residence.

### BUCK CREEK NEWS

Mr. and Mrs. Adolf Smestad and Mr. and Mrs. George Stec and family motored to Slave Lake last weekend. They visited the Butch Smestad family.

Mr. and Mrs. Art Boschman and family of Grande Prairie spent last Sunday with Mrs. Boschman's parents, Mr. and Mrs. Foster Simpson.

The annual community club meeting will be held January 7th at 8:00 p.m. A survey among the farmers who might be interested in installing natural gas to their farms will be made at this time. It is hoped that someone from the gas company will be on hand to give information and answer questions on this venture.

The club would also like the parents of children starting school next fall to attend this meeting to discuss the use of the hall for pre-school classes this coming spring.

The series of card parties held each winter will be starting again on Sunday, January 4th at 8 p.m. in the hall.

The community club will be holding a New Years Eve dance and midnight lunch. Music by the Winfield Hillbillies.

The teen dance held last Friday was well attended.

# D. V. Highlights

BY MRS. EDITH DEBY

Best wishes for future happiness to Mr. and Mrs. Ernest Malanowich, nee Loretta Huska, who were married in St. Anthony's on December 13th.

Word has been received from California that Mr. and Mrs. Jim Bartlett have a new daughter, their third child, Mr. and Mrs. Calvin Bartlett are the proud grandparents.

The ladies of the Royal Purple are to be commended for the fine Christmas party they arranged for the senior citizens of our town and district.

Neighbors of the John Mikulins gave them a house-warming party last Saturday night.

Funeral services were held on Monday for Mrs. Wilbur Harris, of Kerrivale, Saskatchewan, who had been a resident of our district for over 30 years before going, with her husband, to make her home with her daughter, Mrs. Harris is survived by her husband, one daughter Ann and four sons, William, Charles, Cecil and Ted.

Heartiest congratulations to Ricky Sleno who has won a \$200 scholarship at N.A.A.T.T. Ricky is in his last year of Instrumentation Technology. The scholarship was offered jointly by the Royal Canadian Legion, Edmonton Branch and Interprovincial Pipelines.

From Las Vegas Mr. and Mrs. Rex Burrows send greetings to their Drayton Valley friends.

Nick Urchysyn was in Jasper on Saturday and Sunday to take his sld patrol leader examination. Nick has been successful in passing all but the test of taking an injured person down the mountain on a toboggan and will try this again in January. He passed his first aid course earlier.

Sorry to hear that Miss Barbara MacKenzie has been quite ill in the local hospital, Barbara is the daughter of Mr. and Mrs. John MacKenzie Sr.

Mrs. Cull sends best wishes to all her friends. She likes Abbotts but misses her friends here.

Larry Beckett has just returned from Europe where he has spent eight months working on a Danish farm in an agricultural exchange program. After the holidays he will go back to Olds to finish off his graduating year.

Miss Verna Hodgson spent last weekend with her friend, Miss Janice Ward, who is in her

first year of training at Calgary General.

Alfred Comeau, son of Mr. and Mrs. George Comeau, has recently become engaged to Miss Madeleine Chalifoux of Edmonton.

We know that stop signs are erected at country cross roads and elsewhere for our protection. This we appreciate. The \$20 tickets handed out by the county police to those who fail to heed the warning are less appreciated. Watch for those signs, friends. New ones seem to sprout like mushrooms. Note, no it wasn't I. Jim Edmunds of Edmonton will be spending Christmas with his parents, Mr. and Mrs. Dudley Edmunds.

Mrs. Gordon Kynoch Sr. spent the weekend with her daughter, Mrs. Roy Detheridge in Whitecourt. The Detheridges have moved back to Whitecourt after having spent some time in MacMurray.

Our sincere sympathy is with Mrs. Jack Tyler whose mother passed away very suddenly last week.

Who is coming home for Christmas? No doubt there are many, but these are the ones we have heard about. The Bob Hunters of Calgary to the Nick Urchysyns; the Duane Kehls of Edmonton to Clarence Dunnington's; Mrs. Marian Kendrick, of Edmonton to the Jack Kendricks; the Ted Hutchinsons of Edmonton to the Fred Ducketts; Alfred Comeau to his parents; and from the universities, schools, colleges and training centres of the country come a flood of young people eager for some fun and relaxation before January classes begin. These include: Neil Waugh, second year Law; Alison Waugh, first year Science; Caroline Kjolien, third year Education; Linda Dusterhoft, first year Education; Linda McMorris, second year Recreation; Maureen Wade, first year Science; Margaret Hammerlindl, first year arts; Donald Hammerlindl who is graduating in January in Petroleum Engineering; Glen Hammerlindl, third year Chemical Engineering; Tom Booker, Law; Lynn Burrows, third year nursing; Verna Hodgson, second year nursing; Also coming home will be Carol Kruger, Bonnie MacGaughey, Lynne Ratzlaff, Carol MacGaughey, Denise Rendflesh, Paul Kane, Francis Meraw, Sheena Parenteau, Pat Hurley, Joyce Rendflesh. Cheryl Smith who is employed with Majestic Pipeline Construction in Edmonton will be joining her parents in a trip to Fort Saskatchewan for Christmas, where they will visit with Mrs. Smith's parents, Mr. and Mrs. B. Knowles.

Best wishes everyone, for a joyous Christmas and a Happy and Prosperous New Year.

## RAMONA NEWS

We were sorry to hear that Marilyn Rasmussen's 4-H calf died last week. Marilyn now has an Angus calf that her father raised. We hope you have better luck with this calf Marilyn.

Next Sunday, December 21st is the Ramona Christmas concert. Everyone is welcome to come watch the program. If you have a youngster who would like to take part in the concert phone Joan Beauchamp at 542-2229.

## KEEPPHILLS NEWS

A good crowd was on hand on December 6th for the 4-H turkey shoot. A few from this area were lucky. Mrs. Don Cole who had never shot a gun before won also.

Birthday greetings to Grace Bailey and Wendy Strassburger who were both 5 years old December 10. Wendy was on Popcorn Playhouse.

Donna Porter bought herself a new car, and is working at Stony Plain.

December was the final class for the Keep Fit club, a few guests were present and all enjoyed a nice evening. Mrs. Alma Schadeck of Tomahawk has been in charge and all the ladies participating say it has been interesting and profitable.

Mr. and Mrs. Robert Porter are new grandparents, to a baby girl born to Mr. and Mrs. Ray Madison (nee Maxine Snow) of Edmonton on December 2nd. She was 6 lb. 7 ozs. and her name is Stephane Tannis.

Mr. and Mrs. Oscar Raymond spent Saturday visiting in the district.

Mr. and Mrs. Paul Walker from Edson visited Mrs. G. Raymond last weekend.

Mr. Raymond hopes to have the rink ready for the children and their skates if the weather stays cold enough by the first of the week.

The parents are asked to purchase a gift for their child, about \$1.00 in value to put under the tree as Santa will be there to hand out gifts and candy bags.

Winner of the Nativity Scene raffled at the Ramona Bingo was Dianne Sullivan of Rocky Rapids. Congratulations Dianne. Our next bingo will be January 13th, 1970. The jackpot to start the new year will be \$130.00.

Happy birthday this week to Marilyn Kos and Stan Yurkevich December 23rd, Larry Swap December 25th, Eleanor Davis December 26th and Ian Blake December 27th.

Happy anniversaries to Emie and Vicky Kos December 24th and Stan and Joan Beauchamp December 27th.

If you haven't anything planned for New Year's Eve, why not buy a couple of tickets from any member of the Ramona Community League and take in our New Year's Eve supper and dance.

The lucky winners at the December 11th bingo at Whitby are: Noel Hallet, a homemade feather quilt; Grace Gruevin, feather pillows; Dot Bowen; W. Robin-

## Special Services

St. Anthony's Church will be observing the birth of Christ this year with a Midnight Mass. Carolling for everyone will commence at 11:30 p.m. followed by a brief Divine Light Vigil Service.

Tomahawk will be having their Midnight Mass at 9:30 p.m. on Christmas Eve.

### TOWN VISITORS

Dr. and Mrs. M.A. Lorenz and daughters Myrla, Carla and Marianne, of Calgary were weekend guests at the home of their son and daughter-in-law, Bob and Diane Lorenz in Drayton Valley.

They were all guests of Wendy and Helen Sekura's at a hog roast and dance on Saturday evening and had a very enjoyable time.
